Boy-1 (Hridoy):

Teacher: Good morning, class. I hope everyone is doing well today. I have an announcement to make. We have a new student joining us today and she has been awarded a scholarship for her outstanding academic achievements.

Teacher: (looking at Jinia) Please welcome Jinia. ^{Our class session has come to an end} OK guys I'll meet you later.

(seeing Jinia the bully gang starts to laughing)

1) Boy-1 (Hridoy): Hey, why are you guys laughing?

11 Bully 1 (Achol): Did you see her clothes?
They look like they've been picked out of the garbage.

11 Bully 2 (Niloy): Yeah, and did you know her mother's a cleaner in my father's school? How embarrassing!
Jinia looks down, feeling humiliated.

11 Bully 3 (Rakib): Hey, new girl. What's it like having a mother who cleans ^{and} washrooms ^{and} floors for a living? ←

Jinia stands up, her eyes filling with tears.

11 Jimia: Why are you guys so mean? (she already cries and says) What's so wrong with my mother being a cleaner? She works hard to provide for me and give me education. What do you guys do? Sit around and make fun of people? (Cries and sobs)

12 Bully (Niloy): Oh, look at her getting all defensive.

13 Bully (Achol): You think you're better than us just because you got scholarship? (Other boys start laughing and teasing her)
